The NFCG is announcing a great class scheduled for the week of July 12th through the 17th at Ron Leger's Studio in Durham, California. The cost of the class is \$375.00 including the blank. Your instructor will be Mr. Jeff Compton who is an exceptional teacher and artist. The class entails carving and painting a beautiful 14 inch Coastal Cutthroat Trout. Please contact Ed Barrett to reserve your spot in the class or Ron Leger to inquire directions or lodging information. While in the area please attend the 40th Annual Pacific Flyway Show the weekend before the class. It will be an exceptional Wildlife Art Show that will show case regional and local artists.
